| Bus stop<br>Departure | Bus stop<br>Arrival  | Bus number | Ride time<br>(approx.) | Route description<br>from the bus stop to<br>CBD (see map below) |
|-----------------------|----------------------|------------|------------------------|------------------------------------------------------------------|
| Leuven Station        | Gasthuisberg Campus  | 43         | 10 minutes             | Follow the <b>yellow line</b>                                    |
| Leuven Station        | Gasthuisberg Kliniek | 10         | 8 minutes              | Follow the <b>pink line</b>                                      |
|                       |                      | 70         | 8 minutes              |                                                                  |
|                       |                      | R90        | 8 minutes              |                                                                  |
|                       |                      | R80        | 8 minutes              |                                                                  |
|                       |                      | R81        | 12 minutes             |                                                                  |
|                       |                      | 40         | 15 minutes             |                                                                  |
|                       |                      | 41         | 15 minutes             |                                                                  |

\* We advise you to take this bus as it stops very close to our campus.

You can check the bus schedule and buy tickets via Flemish bus company De Lijn:

- website: <https://www.delijn.be/en/>
- route planner: <https://www.delijn.be/en/routeplanner/>
- De Lijn app: <https://www.delijn.be/en/content/reisinfo/ontdek-de-app/>

### Gasthuisberg campus area plan

Instructions how to reach CBD from the bus stop Gasthuisberg Campus (bus number 43) - **yellow line** on the above map

- Once you get off the bus, head to your right. Continue up the street until you see stairs on your left. Climb the stairs to enter the building in front of you. Then turn right.
- Look for the signs with blue circles and white numbers and follow them to number 10.
- You will pass through several buildings, and the walk will take up to 10 minutes. Once you arrive at number 10, you will reach O&N5 (the building with greenish bricks) where you will find the reception.

**Instructions how to reach CBD from the bus stop Gasthuisberg Kliniek (buses 10, 70, R90, R80, R81, 40, 41) - pink line on the map**

- Once you get off the bus, head to your left. Continue up the street until you see a big staircase on your right (just before the sign “Spoed”).
- Climb the stairs and continue straight ahead (between the 2 buildings) until you see the next big stairs. Climb them as well. You will pass through several buildings and the walk will take up to 15 minutes.
- When you get to the top, you will reach O&N5 (the building with greenish bricks). Climb the smaller stairs and enter the building through the revolving doors, where you will find the reception.

**By plane**

There is a direct train connection between Brussels Airport and Leuven (approx. 15 min). The airport train station is located at level -1.

Upon your arrival to Leuven you can reach our campus by bus (see instructions above) or by taxi (approx. 20 min, without traffic).
